- Wellspring feels that students learn best during closed class sessions; therefore, we ask that friends and family members wait for students outside of the class.
- There will be no observation of classes unless special permission is given from the instructor.
- The fee for each class is \$10 per student. Student's enrollment in class will not be guaranteed until the class fee is received.
- Class enrollment is available on a first come, first serve basis. Class sizes are limited to 25 students in the Wellspring Theater and 20 students in Studio 19.
- If student is younger than 18, special permission from instructor must be given for student to enroll in class.
- There will be a photographer and/or videographer in the class. Student or guardian of the student will be asked to sign an optional photo/video release at the beginning of the class to be used for RAD Festival and Wellspring promotional purposes.

The student or guardian of the student agrees to protect, save, and hold harmless and indemnify Wellspring, the class instructor, and the Epic Center against any and all liability whatsoever for injury or death of any person or persons, or for loss of or damage to any property, occurring in connection with or in any way incident to the Midwest Regional Alternative Dance Festival.
